

Subject : Endorsing Adarsh Das for the participation in E-drive Workshop

Date : 02nd August 2023

To whomsoever, it may concern,

It is with privilege that I recommend Adarsh Das for successfully completing the E-drive workshop at our organisation. I have had the pleasure of working closely with the individual for a duration of 21 days.

Throughout the duration, Adarsh Das has shown immense dedication and commitment in this field and has consistently demonstrated exceptional skills and knowledge. It gives us great pleasure to support the individual for remarkably attending every class, asking queries, submitting assignments on time with consistency and giving a remarkable performance on all tests.

Based on the exceptional performance, I am certain that Adarsh Das possesses great potential to contribute significantly and grasping pace for every concept taught. I hereby write this letter of recommendation in full consideration of the above-mentioned attributes.
